## INTRODUCTION

The Herefordshire Quarterly Economic Report for August 2005 is the 27<sup>th</sup> quarterly economic report to be produced by the Herefordshire Council with the Herefordshire Partnership. It forms part of a series of reports, started in February 1999, that are intended to provide information on the County as an update to the biennial Herefordshire Economic Assessment and the current Economic Development Plan.

Items in the August 2005 issue include:

<u>PAGE</u>	<u>TITLE</u>
2	News
5	Unemployment
10	Chamber of Commerce Quarterly Economic Survey
16	Migration to and from Herefordshire
19	Property Prices
23	The Farm Business Study 2003/2004
27	Livestock Prices
29	Recently published research

***This, and previous editions of the Quarterly Economic Report are available electronically from the Herefordshire Council ([www.herefordshire.gov.uk](http://www.herefordshire.gov.uk)) website or by calling the Research Team on the number below.***

Most of the items summarise larger data sets and longer reports, should you require more detailed information on any of the topics please contact the Herefordshire Council Research Team:
